Seried in the Constitution-and "the only

they can awaid drayage (their pretended bug-Reasland, That we fell it incumbent upon bear) without going to an enormous expense, to Democracy of Mississippil again to declare on the acquisition of Cuba by the United of building a wharf of their own that could not be a commercial and political necessity. not that we will half with pleasure every of the river.

roper measure that looks to its accomplish
roper measure that looks to its accomplish
The draying and further, we can never consent to its repriation by any foreign power. of Tishomingo county in the Democrati ate sonvention on the first Monday in De-

uron the following names were sug-M. Born, J. M. Common, C. W. M'Cord, W. Born, J. M. Common, C. W. M'Cord, W. Bett, W. A. Tankersly, J. Assers, M. ratt, C. D. Kev, C. W. Williame, J. G. Bar-of J. L. Saillinan, Wm. Burress, J. F. Grisham R. B. Clayton,

Californ a, we are told, is anti-Douglas,

the Posts States, although not endowed with pared with building a railroad. And I hope all the attributes of assersighty, are only held in the territorial condition until they attain a sufficient number of inhabitants to authorize o I their domestic or local affairs, subject to Constitution of the United States; and otherwise attempt by Congress, or any of the tolyh, the relation of master and slave in a erritory, would be a departure from the origi-al section of our American institutions; and

der jürn is artalij then fixt of Done - Washington Can-stion in the fixed of the second fixed of the second of the second to men or decade on the second to men or decade on the second of the second

A writer in the flinion save: In any the inest of Mr. Douglas, he is a bold on, an bonest man. He is consistent its views, and as anxious to secure a cou-pall right for Mississippi as be is in Illideprimently qualified to serve the per eachief madelrate of this, our great and gloc-ions country. It seems to me that southern me who are at present opposed to Mr. Dong-ies, and exposing his nomination for the Presi-

an emission at Charleston, & Danie and Hot little chance I be an an an an anticolour property of the depair of the public saids and an anticolour property of the public saids and the said in the public saids at the South to far as beard from, althought the server to the other present one of the public saids at the South to far as beard from, althought the server to the other who have the said to the said the said that the said is said in the said

road is destined to be owned, in my opinion, power over it conferred upon Congress, is the power outpilled with the duty of guarding and protecting the owners in their rights, "" as thus not at a very distant day. They want to get a ceded right to go through to the river, and olped. That Mississippl will stand by her the prefence of saving drayage and through a sear stayeholding States in insisting upon the freight. To show that to be a more pretence inforcement by all the departments of the Fed. ent of their constitute nat rights it is only necessary to call attention to the as thus expounded by the Sepreme Court of fact that there is no place on the river that they can awaid drayage (their pretended bug-

The drayage would be just as great as it is now or nearly so, without an extraordin ry onliay on their part to build the wharf. Nothing could justify this outlay but the intention of ROBERT BAGE, President.

This I believe is intended to be done by the company; for the purpose intended to be done by the company; for the reason, that nothing else can reasonably be the inducement for them to such as shown that a scarecrow, and answered the purpose; that the object is harmless. If anything is needlowely what they are contending for.

I distructed this conclusion when I first heard it, but I now selemely believe it to be tree.

Why does the company not join, if need be, in building a permanent good street to the river the pickets of the purpose of the fact that it was made for the purpose of the fact that it was made for the purpose of the fact that it was made for the purpose of the fact that it was made for the format as a scarecrow, and answered the purpose; to the fall extent of the discount of the same, in like manner as period in the format as a scarecrow, and answered the purpose; to the fall extent of the discount of the scare of the fact that it was made for the purpose of the fall in Mcmphis!

The Only Cash House of the Capital House of the Capital House of the Capital House of the Scarecrow, and answered the purpose; to the fall extent of the discount of the scarecrow, and answered the purpose; to the fall extent of the discount of the scarecrow, and answered the purpose; to the fall extent of the discount of the discount of the scarecrow, and answered the purpose; to the fall extent of the discount of the discount of the scarecrow, and answered the purpose; to the fall extent of the discount of the discount of the discount of the scarecrow, and answered the purpose; to the fall extent of the discount of the scarecrow, and answered the purpose of the purpose of the fall that the object is harmless. If anything is scarecrow, and answered the purpose of the fall that the object is harmless. If anything is scarecrow, and answered the purpose of the fall extent of the discount of the scare of the fall extent of the discount of the same in the hinds of the discount of the discount of the the building up of a mammeta commission an This I believe is intended to be done by the I distrusted this conclusion when I first heard it, but I now selemaly believe it to be true. J. F. ARNOLD, Chairman. Why does the company not join, if need be, in and has so decided at the late election. Here the drayage on cetton from being more than is the resolution of the Democratic State Con- one dime a balm, and a like proportion on all other freights. The building of a street of square stone would be a small matter com-

sides merely the avoiding of drayage, or they the effect, are justly entitled to the right of would not be pressing their enterprise as they are. now sak, is, in my opinion, both unwise and it mjust. We carnot allow what they seek without dismembering one whole Ward (the eighth)

Suffice and the cause of Mr. Douglas. Here is what it says to distribute expected as having abandoned the cause of Mr. Douglas. Here is what it says to distribute expected as having abandoned the cause of Mr. Douglas. Here is what it says to distribute expected as having abandoned the cause of Mr. Douglas. Here is what it says to distribute expected as having abandoned the cause of Mr. Douglas. Here is what it says to distribute expected as having abandoned the cause of Mr. Douglas. Here is what it says to distribute expected as having abandoned the cause of Mr. Douglas. Here is what it says to distribute expected as having abandoned the cause of Mr. Douglas. Here is what it is his belief from actual personal tests, this libres cents to the pound is a fair distributed and the list three causes of Mr. Douglas will stead but little chance for a personal test, the influence of men and to our people generally. The draw will be incomed as the formula at the formula above and below as personal test, the influence of the secretary as the first libres as searcely be calculated, the whole region of mountains for miles above and below on the Secretary as the first libres as a searcely be calculated, the whole region of mountains for miles above and below of mountains for miles above and below at the man and to our people generally. The draw will not then as now be confined to two or three at short intervals.

To Builders and Painters.

The New area.

the Mextension" contract is revocable when, the Mextension contract is revocable when, the Mextension contract is revocable when, the Mextension contract is revocable with a to the interest of the city to revoke it, and we cannot see why any sensible man, actuated by a sincere desire to promote the interests of our city, should oppose the proposet proposets of our city, should oppose the proposets of creditors, in any court of Tennessee having jurisdiction of such matters. ition, save upon the score of prejudice

his provision in it, it will then be their con-nitution; it will be part of the compact; and Congress has been always wise enough not exercise the power. In the Kansas bill, as

this cotton is lost to the drays, and just to this exist are our streets protected by the railway. Here is no advantage to the city and an apparent loss to the draymen.

But the draymen must not be parmitted to loss, we therefore assure them that by thus facilitating transit and transportation through the exist and wealth of the different quarta leads. The city, we will bring cotton tere from a greatest protected by the railway.

The city are to the draymen and to the parmitted to loss, we therefore assure them that by thus facilitating transit and transportation through the extent and wealth of the different quarta leads. Mr. C. is an old Californian, and was there exceeded the countries.

The city we will bring cotton tere from a greatest countries.

first before the Democratic masses. Secretary A. B. Dilworth addressed the meeting in his count style, indulging in much criticism upon Mr. Desputa, selectaring that he shad as so that which has been threa from immerial action in the secretary accomplained earth as the extensions are so that which has been threa from immerial action in the secretary accomplained earth as the extensions are so that which has been threa from immerial action. But it is argued that the extensions are so that which has been threa from immerial action. But it is argued that the extension are of the shoons, and all profits of Brokers and Notestary. The shoons and Decretary and the secretary accomplaint of the shoons, casall for himself; there the search game and Decretary accomplaint of the shoons, casall for himself; there the search game and save that to the parties shipping, if they have been seen from the shoot accomplaint of the shoons, casall for himself; there the search game and the shoots are not as a more of the shoots and the shoots and the shoots are not as a more of the shoots and the shoots are not as a more of the shoots and the shoots are not as a more of the shoots and the shoots are not as a more of the shoots and the shoots are not as a more of the shoots and the shoots are not as a more of the shoots and the shoots are not as a more of the shoots and the shoots are not as a more of the shoots and the shoots are not as a more of the shoots and the shoots are not as a more of the shoots and the shoots are not as a more of the shoots and the shoots are not as a more of the shoots and the shoots are not as a more of the shoots and the shoots are not as a more of the shoots

The people of Memphis never thought of such actions the following resolution which were adopted by the meeting:

Resolved. That we re-anno, once as the basis of party action in the Charless, on Convention to party action in the Charless, on Convention to party action in the Charless, on the same to build up a great corporation, the interfaction of calless. The same to build up a great corporation, the interfaction of slaves with the interfact of Columbia, does not, and was not intended to constitution who may settle in the Constitution who may settle in the Isanguage of the Su-Resolved, That in the language of the Su-Resolved of the support of purposes the string of purposes the string of the same by the such that the same are hereby repeated; and bereafter, it who is the interfact of columbia, does not, and was not intended to constitution who may settle in the Terribories.

**Resolved, That in the language of the Su-like was augrested by those who have been warmed into life by their hose pitality and kindness, by the contributing of their read to purpose the substitute of their read to do it leader, as related in the old spelling book, goes to work by sinking its deadly fangs into the life blood of siles and other localities.

The steambest business provide and Ohio, and Mississippi Centering the privilege of discounting security thes, should reap situantages to which our own that the provisions of this Act, be, and the same are hereby repeated; and bereafter, it should be a such as possible and Ohio, and Mississippi Centering the privilege of discounting security that the faction of such as thing, until it was augrested by their hose pitality and kindness, by the contributing of their hose of possible and Ohio, and Mississippi Center the privilege of discounting security these designs to which our own that the provisions of this Act, be, and the same real is legitimately entitled? We are by our hose is legitimately entitled? We are by our hose is legitimately entitled? We are by our hose is legitimately
